

Week 1: CONCARNEAU

	Time	Location	Content	Speakers
Monday 19				
Morning	8:45 to 9:00	Marine Station lobby	Attendee Welcome	
	9:00 to 9:30	Concarneau Marine Station	General Introduction	A. Aish, A. Abourachid, P. Provini
	09:30 to 11:30	Concarneau Marine Station	DCs share work undertaken so far	All DCs
	11:30 to 12:30	Concarneau Marine Station	Tour of the Marine Station	N. Améziane, G. Massé
Lunch	12:30 to 14:00	Lunch provided		
Afternoon	14:00 to 16:00	Concarneau Marine Station	Biology/Biodiversity	P. Aerts
	16:00 to 17:00	Concarneau Marine Station	Marine case studies (Part 1)	P. Boute
Tuesday 20				
Morning	8:00 to 11:00	Concarneau Marine Station	Excursion to the coast and Tour of the viviers of the Marine Station	N. Améziane, G; Massé
	11:00 to 12:00	Concarneau Marine Station	Free period / filming N4N	La Belle Société
Lunch	12:00 to 14:00	Free lunch		
Afternoon	14:00 to 15:00	Concarneau Marine Station	Marine case studies (Part 2)	P. Boute
	15:00 to 17:00	Concarneau Marine Station	Practicals: Observation of collected and preserved material	P. Boute, P. Aerts
	17:00 to 18:00	Concarneau Marine Station	Free period / filming N4N	La Belle Société
Wednesday 21				
Morning	8:30 to 9:30	Concarneau Marine Station	Free period / filming N4N	La Belle Société
	9:30 to 11:00	Concarneau Marine Station	Evolution: adaptations / tradeoffs / constraints + Ecomorphology	R. Van Damme
	11:00 to 12:00	Concarneau Marine Station	Functional morphology of the feeding apparatus of fish and birds	S. Van Wassenbergh
	12:00 to 13:00	Concarneau Marine Station	Free period / filming N4N	La Belle Société
Lunch	13:00 to 14:00	Lunch provided		
Afternoon	14:00 to 15:00	Concarneau Marine Station	Intersection between biology and biomimetics	G. Lecointre
	15:00 to 16:00	Concarneau Marine Station	Discussion about Intersection between biology and biomimetics	G. Lecointre
	16:00 to 17:00	Concarneau Marine Station	Free period / filming N4N	La Belle Société
Social Event	19:00 to ?	Crêperie Ti Clémentine	Dinner at the crêperie	
Thursday 22				
Morning	9:00 to 10:30	Concarneau Marine Station	Excursion to the coast	G. Massé
	11:00 to 12:30	Concarneau Marine Station	Sources and effects of marine pollution	JB. Fini
Lunch	12:30 to 14:00	Free lunch		
Afternoon	14:00 to 15:15	Concarneau Marine Station	What are the key anthropogenic pressures on the marine environment?	A. Aish
	16:00 to 17:30	Concarneau Marine Station	Interaction with researchers of the Marine Station	Marine Station researchers
Friday 23				
Morning	9:00 to 9:30	Concarneau Marine Station	Biomim expo discussion	A. Aish
	10:00 to 12:00	Concarneau Marine Station	Workshop to identify the challenges that N4N needs to address	Everyone
Lunch	12:00 to 14:00	Lunch provided		
Afternoon	14:00 to 16:00	Concarneau Marine Station	Workshop to identify the challenges that N4N needs to address	Everyone
